Paying TDY Bills Now Easier

Paying temporary duty-related travel charge card bills has gotten easier thanks to a new service called Split-disbursement. Split-disbursement is an option in Block 1 of the travel voucher, DD Form 1351-2. This option allows government-travel-charge-card users to tell their finance office to pay a specific amount from their travel settlement directly to Bank of America, the federal government's charge card contractor.

Split-disbursement gives cardholders flexibility to have their payments sent without mail delays and in the amount they want or need sent. It is also helpful for those on lengthy TDY missions. A supplemental travel voucher can be submitted every 30 days during the TDY assignment and can designate split-disbursement each time they submit a voucher. For info cardholders can talk to their agency program coordinator or visit the Defense Finance and Accounting Service Web site at www.dfas.mil/money/travel.

SECTION II ANNOUNCEMENTS

Support Deployed Troops Via E-mail

The Department of Defense announced an alternative to Any Servicemember and Operation Dear Abby, which were suspended indefinitely in the wake of anthrax mail attacks. The Navy has developed a Web-based alternative benefiting members of all services.

The program can be reached at www.LIFELines2000.org or anyservicemember.navy.mil. Those who want to send a message of support or holiday greeting to military servicemembers will find a simple process for delivering messages at these sites. Those sending a message, who wish to receive a response, may include a return e-mail address. Other alternatives for supporting deployed service members were announced in an Oct. 30 news release, available at www.defenselink.mil/news/Oct2001 by selecting Other Ways to Get Behind Troops.

ARC Holiday Program for Troops

The American Red Cross has launched www.4troops.com, a program allowing the public to quickly, easily and securely order a gift for service members stationed around the world. There are four gifts available: three types of candy and a special United We Stand T-shirt. The cost of each gift is \$25, which includes postage and handling. Gifts can be mailed to particular soldiers or can be delivered to at-large personnel in countries such as Diego Garcia, Turkey, Saudi Arabia, Kuwait, Kosovo and Bosnia.

The program is mostly web based, but the public can also call 001-800-565-4651 to place an order. Net proceeds of approximately \$10 per gift will benefit the Armed Forces Emergency Services program of the American Red Cross.

Worlds AIDS Day Increases Awareness

The 14th annual World AIDS Day was observed Dec. 1. Locally a giant red ribbon was placed on Huskey Field and youths were provided education Dec. 10 through 14. A focus on youth is vital; half of the people newly infected with HIV in the U.S. are under age 25. The theme encourages all young people to become more aware of the risks of HIV/AIDS. Empowering young people to use their influence on their families, friends and communities taps a powerful force in helping to stem the tide of the HIV/AIDS pandemic.
